Love is the Alpha and Omega
The first and the last the beginning, middle,
and end of all things
It is the unshakable core
The center and circumference
It colors all experience and holds all moments
and its hands

Love is perfectly self governing
It is the epitome and foundation of all
relationships
It is the foundation of all true morality
It is the natural fulfillment of all law
It needs no rules nor regulations
It requires nothing to enforce it

Love knows no fear or boundaries
Wherever love looks, it sees only itself
Like the sun looking for darkness
It acts effortlessly and has authority to act in
every circumstance

Love resolves all conflicts
It heals all wounds
It reassembles the broken heart
It makes every experience auspicious
Every action potent and every restraint wise
It brings all things to conclusion

Love is the path and love is the traveler on the
path
It continuously gives birth to you
It has guided every step of your journey
You are the face of this formless mystery
You are the presence of this presence
Love alone is the reality
Love alone is your being
Love is yourself and your soul

Love looks at Herself and sees you

About the Author

The son of a schizophrenic mother and an absent father, GP's earliest memory is being tied to his bed to keep him from wandering.

The years of abuse, neglect and emotional deprivation were offset by a natural gift for and love of truth as well as an unquenchable curiosity about how it is that people really heal and awaken.

“My experience as a child made the search for truth and healing more than

philosophical curiosity. For me, it was a matter of life and death."

At the age of 19, he was on the verge of suicide, addicted to drugs and at the end his hope. At this dark moment, GP had an extraordinary spiritual experience that was so penetrating that, within a few months, his entire life had turned around. He refers to that day as his "Night on the Bridge," where he experienced, as he puts it, "Original Innocence".

Since then, he has spent his life learning, studying, researching, experimenting, practicing and creating practices that liberate the soul from unnecessary and self-imposed suffering.

response to the needs of his students. So his programs are always fresh, relevant and timely.

The flagship course series is called Inner Reconciliation™ and in that collection he covers in depth the whole nature of his way of not only revealing your trues self but also also how to heal numerous emotional, psychological and physical ailments.
